Grade 1, Unit 07, Lesson 03: Defining and non-defining attributes

You will need a paperclip for this exercise.

1. Place a paperclip in the center of the defining attribute spinner.
2. Place the pencil point in the center of the spinner and push the end of the paper clip so it rests behind the pencil point and spin!
3. Record the defining attribute.
4. Repeat for non-defining attribute spinner.
5. Draw a picture of the shape using both the defining and non-defining-attribute.
